Dear Patient,

The enclosed information is for patients that do not have health insurance, have a plan that pays direct to the patient or may have a large deductible or copay after insurance processes.

**Uncompensated Care** is a discount plan offered by the hospital for people who are not able to afford hospital services. Though our patients are not denied services based on their ability to pay, you may be eligible for free service or reduced cost for services based on your income level. For your benefit, we encourage you to apply for assistance as well, through your local DHHS.

**Michigan Medicaid:** Apply at **[www.mibridges.michigan.gov](http://www.mibridges.michigan.gov)**. Working with Gwen Gibson of the Department of Health and Human Services here at MMC-D, Applications can also be completed with our Financial Counselor. Please contact me.

**Jody Peterson at 906-776-5664**

**Wisconsin Medicaid:** Apply at **[www.access.wi.gov](http://www.access.wi.gov)** or call the Dept of Health and Human Services in your county. You may also reach out to our Financial Counselors listed above.

**Florence/Forest County 888-794-5722  
Marinette County 888-794-5747**

**Any other State or County:** Contact the Department of Health and Human Services in the county you reside in to apply. We are unable to file claims with out of state Medicaid Plans, except for Wisconsin.

Please read through the enclosed information. If you have any questions regarding the program, please contact Financial Counselor, Julie Panick at 906-776-5666. I am also available in my office Monday-Friday 9:00 am – 5:00 pm at 906-776-5657

Thank you,
